

On Monday, January 10, Rep. Holt hosted a telephone town hall for more than 1,300 Central New Jersey residents. Holt answered questions about health care, retirement security, and tax relief, among other issues. He also addressed the tragedy in Arizona, saying it was "heartbreaking" that she was shot doing what she does best - representing her constituents. You can listen to the entire town hall [here](#) (may take time to load).
